INDUSTRIAL DISTRICT TIED UP. DEMAND FOR RECOGNITION OF REDS.

By the Associated Press

COPENHAGEN, March 29.—A strike in the Ruhr industrial district is extending according to Essen dispatches today. Thirty thousand men are reported out. At a strike meeting near Dortmund Thursday demands formulated including the establishment of political and economic relations with the Russian Soviet and disarmament of the Poles in Germany.

VOLUNTEERS WANTED TO RELIEVE MEN

WASHINGTON, March 29.—War Department officials express confidence that no trouble will be experienced in raising a force of 50,000 volunteers for overseas service, the call for which, the department announced today, has been prepared and will be published probably tomorrow. The men will be offered early duty in France, it was stated, as a relief for men in the expeditionary forces who wish to return home.

The troops are to be concentrated at Camp Meade, Md., and probably will be sent over in contingents of 1,000.

The period of enlistment will be for three years. The bulk of the men are expected to come from recently discharged troops, who after a short "vacation" as civilians, desire to return to army life.

Another incentive expected to have a decided effect on the recruiting campaign is looked for among the men, who, after having been drafted and trained, were prevented from going overseas by promulgation of the armistice. Opportunity to see service in Germany, it is thought, will lead many of these to enlist.

A number of officers, probably ten or twelve, will be sent overseas with each increment of 1,000 men leaving Camp Meade.

These will be used at the concentration camp to give the preliminary training necessary to whip the men into casual organizations and to make the required examinations. On arrival in Europe they will take the places of officers who are eligible for discharge.

NORMAL NOTES.

Carrie Roach and Oather Van Meter from the Normal and Carl Perkins and Cecil Qualls from the training school attended the State Sunday School Association at Oklahoma City the past week.

Mary Esther Chisholm, Mollie, Etta and Clara Russell, Gladys Coble, Mrs. Gordon, Mrs. Perkins, Mrs. Floyd and Mrs. Breco were among the visitors this morning who attended Dr. Croasdale's last lecture to the women of the school. Jack Cannon and Conn Roach have entered for the spring term, the former having been discharged from the army and the latter from the navy.

Miss Spriggs has been absent from school the past week on account of illness. Her classes are being taught by her sister, Miss Edna.

The Phi Beta girls gave an informal reception to the members of the faculty on last Wednesday afternoon to meet Dr. Croasdale. A very pleasant time was reported.

J. C. Moore was a visitor this morning, having just received his discharge from the army. He was a member of the Ninetieth division and was in action from the 20th of August until the armistice was signed, being wounded in the Argentine Wood. He is fully recovered, however, and will begin work next Monday in the capitol at Oklahoma City.

Sunday School Association. (Contributed)

Easter Sunday will be the "Everybody Go to Sunday School" day for Pottawatomie County. Let us begin now in earnest to work, plan and pray for a mighty decision day at that time. Eighty per cent of the present working forces of the church come through the Sunday school of yesterday. Let us try to make for the next generation 100 per cent of the forces of the Sunday school forces saved to the church at present.

Let us teach the youth of our day knowledge of the great principles which give abundant and eternal life. Everybody go to Sunday school Easter.

When the Baboon Calls.

Baboons have been a sore trouble lately to many South African folk, and poison clubs have been founded to keep them away and reduce their numbers. Baboons recently raided a farm in Robertson, and, ignoring all efforts to drive them away, rode the donkeys in the back yard. In Lalingsburg, driven by hunger, they raided gardens in broad daylight.

FRANCE NAMES BOUNDARIES

PRESENTS CLAIMS INSURING FUTURE SAFETY FROM GERMAN INVASION.

By the Associated Press

PARIS, March 28.—In laying her claims before the council of four today France asked, first of all, that her boundaries as fixed by the treaty of Paris, May 30, 1914, be made her new boundaries and that the Saar coal basin be included to offset the destruction of the Lens coal region of France by the Germans when they evacuated it.

In the Rhine province, on the left bank of the river it is insisted that the Germans shall not be permitted to establish fortifications, occupy the territory with armed forces, nor control the railways. On the Alsace-Lorraine line it is demanded that the Rhine shall be the natural frontier of France.

HUNS TALK OF BREAKING OFF

THREATEN TO BREAK ARMISTICE IF ALLIES PRESS DEMAND FOR POLES.

By the Associated Press

BERLIN, March 29.—The Local Anzeiger publishes a statement to the effect that it understands that suspension of the armistice with the allies is possible.

This follows the action of the allies in demanding permission for three Polish divisions that have fought on the east front to land at Danzig and march through German territory to Poland.

Huns Insist on Point.

COPENHAGEN, March 29.—The full text of the German reply to the allies concerning the landing of Polish troops at Danzig shows Germany made it a point that she did not undertake to give free access to the Polish army to West Prussia in the armistice agreement with the entente. The reply says that since the conclusion of the armistice the entire situation in Posen, West Prussia and Danzig has been entirely changed.

GERMANS THREATEN TO REFUSE TO SIGN

PARIS, March 29.—Apprehension that Germany will not sign the peace treaty as now formulated is growing daily.

There is more talk of war in the French press than there is of peace. The names of Marshal Foch and General Mangin figure as prominently today as they did a year ago.

Will Germany play the ragoon or bolshevik? She may cross her arms and say "We will not sign your treaty"—which would mean that the allies would have to occupy the whole of Germany and run the country as a referee runs the estate of a bankrupt for the benefit of the creditors. The allies in that event would become responsible for feeding all civilians until the next harvest.

The entente powers would rather find a stable German government with which they can sign peace than no government at all. None of the allied nations cherishes the prospect of using a national army to police the whole of Germany.

Another possibility is that Germany may throw a bolshevik fit, froth at the mouth and shout, "I am bolshevik. You can't make me sign anything, and if you don't look out I will infect your people with the mania."

The third possibility is the resumption of warfare, which would begin with Germany forcibly resisting allied measures, such as the landing of the Polish troops or refusal to recognize the new Polish frontiers.

While such threats are hardly taken seriously, there are accumulating indications that Germany feels sure the allies are not in a position to "start something."

PARENT TEACHERS ASSOCIATION MEETS

The Parent Teachers Association of Glenwood met Friday afternoon at 3 o'clock.

Mrs. Russell, secretary, reported: "Notes paid up in full on piano and a balance of \$21.75 in the treasury."

The commissioner on gardening reported: "No available lots."

Supt. Hickman presented the school bond, urged the ladies to register, that they may have the opportunity to vote for more room, better equipment, better schools.

Mrs. McKoy urged the ladies to get into the civic improvement campaign and make it "go."

After all business was settled, the teachers entertained the mothers with a social half hour.

Miss West, who is a reader of rare talent, favored them with two readings. Miss Miller, music supervisor for the school furnished music.

After the program the ladies were ushered to a table beautifully decorated with spring violets and lilies, where they were served to fruit punch and wafers by Mrs. Deaver and Mrs. Smith.

R. R. STRIKE IS SPREADING

AUSTRIA IN GRIP OF GROWING UNREST. FAMINE IS THREATENED.

By the Associated Press

COPENHAGEN, March 29.—The strike in Austria was extended Friday to the Northern railway and as a consequence traffic between Vienna and the outside world is almost at a standstill according to Vienna advices. The bread ration is expected to be reduced by one-half next week if the strike continues.

PROCEEDINGS OF OKLA. LEGISLATURE

OKLAHOMA CITY, Okla., March 29.—That the legislature may adjourn today with possibly a night session that may extend into morning, was indicated today when the senate, on motion of Senator Harrison, took up the adjournment resolution reconsidered several days ago and fixed the time for adjournment for tomorrow. The resolution as it left the house set the time at noon of the day for adjournment, but usually the session continues until the work is finished, generally ending after a night session.

The senate worked on house and senate bills today to perfect them after they had come from the house or just before going over there. Appropriation bills for some of the state institutions for maintenance for the next two years were passed. The resolution from the house by Representative Harrison, providing for a ninety-day session of the legislature at \$10 a day pay, was passed by the senate, but modified to \$6 a day for days actually served. This was an amendment offered by Senator Harrison. The pay amendment, however, was to the effect that it remain at \$6 a day "until otherwise provided by law."

This would give the legislature itself authority to make the change without referring to the people again. The resolution has passed the house, but now must go back there for action on the senate amendment. The senate refused to grant a conference on the code revision bill asked for by the house. The bill, by Mr. Newman of the house, passed that body providing for a commission to be selected from the legislature to make the code revision. The senate changed this and provided that a contract for the work to be given to C. O. Bunn of Ardmore. The house disagreed to this and asked for a conference. It is the purpose to send that bill back to the house and have that body consider the matter more fully.

Deficiency bill containing miscellaneous items amounting to \$53,000 was killed in the house by failing to receive the required majority vote. Items of \$326 for Lieutenant Governor Trapp and \$1,636 for Sidney Suggs of Ardmore, formerly State Highway Commissioner, were stricken from the bill. Trapp's claim covered a time when he was acting governor and Governor Williams was out of the state. Suggs' claim dates back to the early days of the Highway department when it was attempted to run the department on fees collected as automobile licenses. Motion by Mr. Hodge was made to reconsider the bill after it failed to pass.

Item of \$5,000 for Clark Hudson, Assistant State Highway Commissioner at the same time, was allowed by the house. This was for services and money advanced to other employees.

Governor Robertson let it be known today that he would take action on the resolution passed by the legislature cancelling the charter of the Southwestern Bell Telephone Company, so that it would get to the legislature in time to take further action if the body saw fit. The governor is expected to veto it as he has indicated he would. The resolution did not reach him this evening, but is expected to be acted upon by him in the morning and sent immediately to the legislature. The governor denied that he intended to hold the measure on his desk until after the legislature adjourned and let it die.

The deadlock between the senate and the house on House Bill No. 315, which is the general salary bill that increases the pay of many of the state employees, continued today and must go to a free conference committee of Senate and House members if house action taken this afternoon is followed.

House members debated the senate amendments of the bill on Thursday afternoon and decided not to concur in them. The senate wants an attorney in the banking department, another in the school land department and a \$1,500-a-year secretary for the lieutenant governor. The house would not agree on either. The bill was sent back to the conference committee, which reported late today that it was impossible to agree.

The house voted to stay by the previous house action on the matter and by motion of Representative Stevenson decided to call for a free conference committee. This would place the bill in the hands of members other than on previous conference committees and give that committee power to do as it saw fit with the bill. This measure has caused a more positive stand as between the senate and house than any other bill throughout the session.

INDIAN UPRISING IN ARGENTINE

By the Associated Press

Buenos Ayres, March 29.—A general Indian uprising in Mendoza reported and it is said one tribe sacked a fort in Yunka killing the garrison of two non-commissioned officers and fifteen men. The Indians escaped taking horses and supplies from the fort, according to reports.

Cleaning Up Coal County.

COALGATE, Okla., March 29.—The sheriff's force has been engaged the past week in making a systematic raid on liquor selling places in this and adjoining towns, and a quantity of "corn licker" originating in the glens of the Jack Fork mountains, has been confiscated. Hundreds of gallons of Choctaw beer, the brew that "made Coalgate famous," has been offered as a libation to Mother Earth. Several arrests were made.

no fears about the grapes being sour.

Pauls Valley is very much worked
up over the prospect of Stratford
and adjacent territory joining Pontotoc
county. A lengthy appeal is being
circulated extolling the greatness of
Garvin county, the advantages of be-
ing a part of said county and the dis-
advantages of Pontotoc. According to
this classic piece of literature sand
ridges constitute the greater part of
the land of Pontotoc, and as for the
citizenship—well, Sodom did not
have much on us. However, the citi-

zenship of the strip that has peti-
oned to become a part of this county
is thoroughly familiar with condi-
tions here and will not pay much
heed to the wailing of Pauls Valley.

cial club the life of any town, and
would be much pleased to see Stone-
wall take the step its neighbor to the

THE RAPE OF THE CLOCK.

From Tulsa World.
In spite of the general sentiment
against any further experiments in
the way of tampering with estab-
lished time, next Sunday we again shall
put the clocks ahead for the sum-
mer and pretend to ourselves a great
deal of astuteness because we figure
we are cheating Father Time out of
an hour each day. Of course we do
nothing of the kind, for we have the
same number of hours of daylight
and darkness we have always had
since the morning stars sang togeth-
er, but it pleases our erratic fancy to
think we have gained an advantage.
All we do is really to advance
our program for each day to the
amount of 60 minutes which we could
just as well have done and left the
clocks to tick away in their accus-
tomed manner. But some "smart
alex" conceived that people could de-
ceive themselves by changing the
clocks and timeserving statesmen
were found who had so little back-
bone as to put the absurdity into law.
A strong effort was made last win-
ter to get congress to repeal this act,
backed especially by the farmers,
who have no advantages to gain by
its operation and who suffer much
inconvenience thereby; but we all
know the story of congressional ac-
tion in this and many bigger things
dying of strangulation, so we are to
have another summer of falsified
clocks and pretending to ourselves
that we have done a good thing. The
man who conceived the "daylight sav-
ing" scheme must have taken les-
sons from P. T. Barnum, who is re-
puted to have said that the American
public loved to be humbugged, but
the irony of the thing is that he com-
pelled a whole nation to take a part
in humbugging itself.
So, while conscientious people may
feel humiliated to be classed among
the unsophisticated, yet they can con-

sole themselves with the thought that
they are in good company and plenty
of it, for the man who does not
set up his timepiece to agree with
the majority will acquire a greater
reputation for provost stubbornness
than for fidelity to a principle. So
let's all give the horologium an ex-
tra twist and go on about our busi-
ness.

MAKING PROMISES.

Having been recently, elevated to
the honor of town J. P. by a loving
but misguided constituency we are
beset with questions as to what we
shall do on all sides assailed with
importunities to do this, that and the
other. All of which we cheerfully
agree to do, no matter whether it is
reversing a decision of our supreme
court, declaring some law unconsti-
tutional or abolishing the tax on dogs
and the state highway routing com-
mittee. Further than that deponent
sayeth not at this writing.—Healdton
Herald.

BOOSTING FOR PONTOTOC.

The three following editorials ap-
peared in the last issue of the Strat-
ford Leader:
"The fight is now on, so keep on
boosting and rooting for the annex-
ing to Pontotoc County."
"Having the highway cut out be-
tween Stratford and Pauls Valley
and then one of the county officials
making the remark that he wished
we would join Pontotoc County is
convincing that they don't want us
any longer. So, good by, Garvin,
hello, Pontotoc."
"Everybody who live in the east
part of Garvin County wants to cut
loose of Garvin and be annexed to
Pontotoc County, there are all very
anxious to do so, because it is the
best advantage of us all. We have
a direct railroad and besides there are
a hundred and one other reasons,
too, why we should cut loose and
join Pontotoc County. Remember,
we're going to be annexed to Pon-
totoc, for there is more than one
way than one to skin a cat. So
don't pay any attention to the par-
ties who are fighting against the
move, they will make flowery prom-
ises. But, by all means, treat them
with courtesy."

Wednesday afternoon from a trip
overseas, where he was placed by
Uncle Sam. He did not arrive in France
until the armistice was signed, but
was gone four months before he was
started back to the states. He says
he liked the trip fine, but is glad to
be back home again.

The Girls Basket Ball team of the
high school played three games of
basket ball the past week and suc-
ceeded in winning all three. The team
has lately been reorganized on ac-
count of two of the players leaving
school and Helen Mundy has been
elected captain. The girls are look-
ing forward to the district meet at
Ada on April 18 and 19 and expect
to give a good account of themselves.

The Stonewall girls basket ball
team have been very anxious to meet
the Ada high school girls basket ball
team on the Stonewall court and they
publicly challenge them for a game
to be played here. This season we
have played them two games on their
court. We won one and lost one and
now we think it would be fair for
them to come down and give us a
game.

"A SPLENDID TONIC" Says Hixson Lady Who, On Doc- tor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago
I was..." says Mrs. J. B. Gadd, of
this place. "I suffered with a pain in
my left side, could not sleep at night
with this pain, always in the left
side..."

My doctor told me to use Cardui. I
took one bottle, which helped me and
after my baby came, I was stronger
and better, but the pain was still
there.

I at first let it go, but began to get
weak and in a run-down condition,
so I decided to try some more Cardui,
which I did.
This last Cardui which I took made
me much better, in fact, cured me. It
has been a number of years, still I
have no return of this trouble.

I feel it was Cardui that cured me,
and I recommend it as a splendid fe-
male tonic.
Don't allow yourself to become
weak and run-down from womanly
troubles. Take Cardui. It should sur-
ely help you, as it has so many thou-
sands of other women in the past 40
years. Headache, backache, sideache,
nervousness, sleeplessness, tired-out
feeling, are all signs of womanly trou-
ble. Other women get relief by taking
Cardui. Why not you? All druggists.

TODAY'S RELIGIOUS THOUGHT

Constructive Ability.

"The Lord showed me four car-
penters," Zech. 1:20.
The text is taken by the prophet
as God's pledge to Israel that the
enterprise upon which they were enter-
ing should not suffer for lack of ex-
ecutive ability. Executive ability is a
prime essential to success in any field
of human endeavor. In domestic life,
it creates homes, secures provisions,
devises comforts and safeguards the
family. In national life it defines
boundaries, frames laws, develops
resources and multiplies institutions.
In military life it gathers forces, es-
tablishes regulations, invents arms
and develops a soldiery with esprit
de corps. In literary life it origi-
nates plots, works out problems, and
conquers brain and heart. In artistic
life it dignifies form, discovers poetry
worships beauty and transfigures a
drab world. In mechanical life it
spans catenaries, scales peaks, masters
all natural forces, serves peer and
peasant, and links the nations to-
gether. In religious life it builds
temples, forms churches, prints
Bibles, plants missions, formulates
creeds and blesses human kind.

TURKEY FACES SOME PERPLEXING PROBLEMS

Constantinople, Feb. 28, (Corres-
pondence of The Associated Press.)
Contrary to reports Turkey is well
supplied with food, and, while prices
are unusually high, they are much
lower than those prevailing in the
Balkan states and in some other
countries of Europe.

The following list of current prices
which the consumer is called upon to
pay shows the actual conditions:
Flour 26 cents pound, potatoes 11
cents; beans 20 cents; meat 50 cents,
and eggs 90 cents a dozen.

Vegetables of all kinds are not
only abundant but relatively cheap.
Clothing and shoes also may be had,
but generally the prices charged are
so high as to take them far beyond
the purses of the poor. Hotel rates
are lower than in most European
cities, and the service is as good as
could be expected in a country just
emerging from a long war.

In order that foodstuffs may be
placed within range of the poor,
the American food administration is
now selling white flour at ten cents
a pound, which is expected to bring
down other prices as far as the ac-
tual necessities are concerned. The
work of the Americans is attracting
wide attention and much interest.

Drugs, and in fact all medicines,
are very scarce and expensive. Most
large centers in Turkey and Asia Mi-
nor need medical assistance.

The care of a million or more desti-
tute Armenians, Syrian and Greek re-
fugees in the Caucasus and through-
out Asia Minor presents a most ser-
ious problem. It is estimated that
there are in these countries no less
than half a million fatherless chil-
dren whose condition demands im-
mediate relief. The American com-
mission for Relief in the Near East is
taking up the task, but is finding
that its resources are being severely
taxed.

Smallpox is prevalent in Constanti-
nople, two cases having developed in
the American colony, while the Swed-
ish minister is only now recovering
from a severe attack. Most hospitals
are hard pressed for medicines and
supplies, while the shortage of phy-
sicians is pronounced.

Finances, too, are disturbing the
Turks. The Turkish pound has de-
preciated; its present value being
twenty per cent below normal, while
gold is at high premium. The ex-
change rates of money of most other
countries also has declined, the Amer-
ican dollar, the English pound and
the Greek drachma being the only
issues which have stood firmly at
par.

TUPELO ORGANIZES COMMERCIAL CLUB

From Stonewall News.

Several Stonewall parties, among
which were representatives of the
News, attended a meeting of the Com-
mercial Club at Tupelo last Tuesday
night. It was the second regular
meeting of that organization, which
has designated each Tuesday night
for its regular meetings.

At the meeting, which was well
attended many important things, for
the betterment of Tupelo, were dis-
cussed among which was the incor-
porating of the town, building of
roads, improving some of the streets
in town, and a general discussion of
those things which tend to better any
town or community.

A newspaper will also be estab-
lished in Tupelo at an early date, it
was announced, and other enterprises
it was intimated would soon become
permanently located there.

It was stated by some of the mem-
bers present at the meeting that
three forces of men and teams would
begin work this week on the state
highway between Stonewall and Coal-
gate, and that funds were available
for the placing of the road in good
shape. This is a stretch of road, al-
though being on the state highway,
presents more the appearance of what
was termed a road in the old log
school house days, and the fact that

Broadway is Itself Again

The war is over—let joy be
unconfined — such is Broad-
way's verdict.
Because the Edison Co. fea-
tures Grand Opera RE-CREA-
TIONS so constantly some peo-
ple have the idea that it over-
looks the more popular music.
Quite otherwise. It is sorry
for the man who can't enjoy a
rollicking rag-time ditty. It
believes in democracy in music.
And it supports its belief by
producing vast quantities of
Broadway hits.

In Edison Grand Opera RE-

CREATIONS you receive all
that the ear can give you of
the art of the world's great
opera stars. In some hit RE-
CREATIONS you get the very
spirit of Broadway—the joy-
ous, carefree, abandon which
has made the Great White
Way a world landmark.
Three million dollars was
spent in research work to per-
fect an instrument which
would be capable of achieving
this effect. But it was three
million dollars well spent. For
the result is

The NEW EDISON "The Phonograph with a Soul"

the only phonograph which
can meet the tone test, the
test of direct comparison with

the living artist's voice or in-
strument.

"It's You, Arthur"

That was the verdict of Arthur
Fields' listeners who gathered
at the Edison Laboratory to

hear a tone test of this pop-
ular vaudeville singer's RE-
CREATIONS.

it is to be improved, is welcome
words to all who are forced to trav-
el that way occasionally.

The business men of Tupelo are
optimistic concerning the growth and
development of the town, and no
doubt by patriotic cooperation among
themselves, they can do much to
ward the betterment and develop-
ment of their town and community.

Sunday school at 9:45 a. m.
No morning services.
Evening services at 8 p. m.
This of course is all by the new time.

Remember the choir rehearsal and confirmation instructions for Wednesday evening at 8 p. m.
No obligation is involved in one attendance on these instructions. Come and bring some one with you. We must work up this choir quickly.
You are cordially invited to attend these services, and are assured a cordial welcome. The call and appeal of Lent was never more greatly needed than in this our time. Come, let's serve our fellowman in making Lent real. Remember the little church.

Announcement.

The Senior and Intermediate Christian Endeavor Societies of the Presbyterian church have united and will meet each Sunday evening at 6:45. An interesting program has been arranged for next Sunday. Among other things Mr. Maurice Gordon will bring us a report from the Christian Endeavor Convention at Oklahoma City. All are invited to attend.

Methodist Church Notices.
Wallace M. Crutchfield, Pastor.
Be one more at Sunday school at 9:45. We need you and you need us. The Juniors meet at 9.

The Intermediates and Senior Epworth League meet at 6:30 with a cordial appeal for all young people of the congregation.

The pastor will preach at the morning hour and hopes to see his members and friends at that time. The evening audience will be made up of the members of all the churches and their friends. The sermon-address will be delivered by Dr. Hanson of the Welfare League.

First Christian Church.

Beehive Bible school, 9:45. Superintendent, C. E. Canning. The attendance last Sunday was the best for many months. The aim is to make it still larger next Sunday. If any man wants a good place to spend an hour Sunday morning he will find such a place at this Sunday school. Plans are being developed for a great Easter service. Decision Day will be observed. A program will be given by the Sunday school. There will be special music and special messages by the minister. Every one is invited to come to the First Christian church, Easter Sunday, April 20.

Morning worship 11 a. m. Theme or sermon, "God's Silent Force." The meeting for personal workers in the pre-Easter evangelistic campaign will be held at 4 o'clock.

Christian Endeavor, 6:30. The meeting Sunday evening will close the very fine contest that has been going on for some time. The reds now have the advantage of twenty-four points.

There will be no church worship Sunday evening. This church will unite with other churches in the union meeting to be held at the M. E. Church in the interest of public morals. The minister urges the members to attend. The time indicated in this announcement is new.

Three boys were baptized last Sunday evening. Carlos Wadlington, Curtis Williams, and Paul Perkins.

A cordial welcome awaits all at the First Christian church.—C. V. Dunn, Minister.

First Presbyterian Church.

Report on convention—Maurice Gordon.
Benediction.

The evening service will be a cooperative one in connection with the National Public Welfare League meeting in the Methodist church. Dr. Theodore Hanson of Kansas City will deliver an address on "Community Salvation." There will also be meetings at 3 and 8:30 P. M. Monday and Tuesday at the same place. Our people are urged to attend these meetings.

A cordial welcome awaits all who attend the services of this church. Strangers always feel at home. May we count on you next Sunday?—George Wesley Beck, Minister. Residence 107 E. 14th. Telephone 232.

First Baptist Church.

We had splendid congregations at the First Baptist church last Sunday and we are hoping for even better this Sunday. The pastor will preach on the subject, "The Call of the Christ," and we will be delighted to see you there.

Sunday school at 9:45 and we are exceedingly anxious for a larger attendance on the part of our adult members and any other adults of the city who are not already attending Sunday school somewhere. We will observe missionary day Sunday morning and a large attendance is hoped for.

Sunbeams meet at 2:30 p. m. with Mrs. Leonard Braley, as leader.

The Juniors will meet at 2:30 p. m. with Mrs. R. E. L. Ford in charge.

The Senior B. Y. P. U. meets at 7:45. Mr. Vernon is president.

There will be no night service account the union meeting at the First Methodist church in behalf of Community Welfare.

Remember all these services will meet according to the new time. Turn your clocks and watches up one hour.—Clyde Calhoun Morris, Pastor.

Rheumatism Cured By "Number 40" Or Money Back.

Consult Gwin & Mays Drug Co. Frank Staser, Newburgh, Ind., states: "I suffered with rheumatism for several years and tried numerous remedies with little or no benefit. Mendenhall's Number 40 was recommended to me and I used in all six bottles and am entirely cured. I cheerfully recommend it to all rheumatic sufferers."

We have instructed Gwin & Mays Drug Co. to issue a guarantee with three bottles of "Number 40" and if you are not cured or satisfied, your money will be cheerfully refunded.—J. C. Mendenhall, 40 years a druggist.

"Number 40" is employed in rheumatism, scrofula, blood poison, constipation, liver and stomach troubles.

Time Changes Tonight.

The daylight saving time will go into effect tonight at 2 o'clock. It will be well for all to move their clocks up an hour before retiring and begin Sunday morning under the new schedule. All trains will be governed by the new schedule.

WORSER THAN DEADLY POISON GAS

Kidney disease is no respecter of persons. It attacks young and old alike. In most cases the victim is warned of the approaching danger. Nature fights back. Headache, indigestion, insomnia, lame back, lumbago, sciatica, rheumatism, pain in the joints and lower abdomen, difficulty in urinating, all are indication of trouble brewing in your kidneys.

When such symptoms appear you will almost certainly find quick relief in GOLD MEDAL Haaren Oil Capsules.

This famous old remedy has stood the test for two hundred years in helping mankind to fight off disease. It is imported direct from the home laboratories in Holland, where it has helped to develop the Dutch into one of the sturdiest and healthiest races in the world, and it may be had at almost every drug store. Your money promptly refunded if it does not relieve you. Be sure to get the genuine GOLD MEDAL Brand. In sealed packages, three sizes.

BAD STOMACH; NEARLY STARVED TO DEATH

Mr. and Mrs. Hampton Both Eat Anything They Want Now.

"I have had stomach trouble and constipation for 3 years. I could not eat anything and almost starved to death. After I began to take Milks Emulsion I began to eat anything I wanted. I feel like a new woman and am doing my own work again."

"My husband also was badly afflicted with stomach trouble and for a long time lived on soup and light diet. Eight bottles of Milks Emulsion cured him and sound and well and he can eat as much solid food as he likes."—Mrs. George Hampton, 503 North 12th St., Charleston, Ill.

Thousands of people have used Milks Emulsion with the same result that Mrs. Hampton describes. It costs nothing to try—it is guaranteed.

Milks Emulsion is a pleasant, nutritive food and a powerful medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to run-down nervous people, and it has produced amazing results in many cases of tuberculosis of the lungs. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. A truly wonderful medicine for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c each, \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold and guaranteed by Gwin & Mays Drug Co. (Adv.)

NEW LAW RELATING TO CONFEDERATE PENSIONS

OKLAHOMA CITY, March 28.—The new law relative to pensions for Confederate soldiers, creating the office of Pension Commissioner, which is now effective since being approved by the governor, is a change from the previous statute. By creating the office of Commissioner of Pensions it takes it out of the hands of the Commissioner of Charities and Corrections. Governor Robertson has already announced the appointment of Col. R. A. Sneed of Sulphur as the new commissioner.

The new law provides that any soldier or sailor who saw service of three months for the Confederate states is entitled to the pension, or the widow of either who has remained unmarried. The pension is now \$15 a month. The person eligible to draw this pension must have resided in the state for at least one year. In the new law also provides a secretary to the Commissioner at a salary of \$1,500 a year. Besides the appropriations for the salaries of commissioner and secretary and other office expenses, the appropriation for the two years amounts to \$609,800.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one remedial disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. The only destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

NOTICE.

Owing to the fact that about 20 percent of all kodak work is never called for, compels us to this business on a cash basis effective April 1st. Terms will be as follows: The cost of developing the films must be paid when the rolls are left, balance may be paid for when prints are completed.

Films left for reprint MUST be paid for in full when order is given.

We disliked to put this rule into effect but the lack of attention in calling for this class of goods has forced us to do so.

REMEMBER after April 1st bring the change with you when you bring the films.

We trust our good patrons will bear with us in making this change, and not feel offended when called upon to pay, as it is only a business proposition.

ITEMS CLIPPED FROM FRANCIS WIGWAM

Buster Harris, who chopped his left foot while chopping wood some time ago has recovered from his wound.

Earl Norman, who has been stationed at San Diego, Calif., has received his discharge and is now home.

John Hughes of the 131st Field Artillery has landed in Newport News, Va. He will visit friends in Francis if he is mustered out at Camp Travis.

Mrs. Tom Burns entertained with a party Wednesday night in honor of her brothers Sib and Earl, who have just returned from the service. All reported a most delightful time. Delicious refreshments were served.

We are accustomed to think and say that Francis grows very slowly if

at all. Some good and loyal citizens of the place have been heard to say, "No, Francis doesn't grow, but it holds its own." For the benefit of people who think Francis doesn't grow we have prepared the following statistics, showing what improvement has been made in the past ten years: Monthly average postal receipts, 1909, \$150.52; 1919, \$250.13. Bank deposits, 1909, \$38,238.29; 1919, \$146,957.29. School enrollment, 1909, 277; 1919, 376. Population, 1909, 906; 1919, 1,914. The above figures are official with the exception of those for population, which are based upon the scholastic population and which, following the usual rule, gives a very close approximation. Sure, Francis grows. Next time you hear a knocker say it does not, show him these figures. If he doesn't retract, swat him and send the bill of damages to this office.

The refinery south of town is going up very fast and two months will find the site a large and well developed plant. Mr. Claude Wood of Oklahoma City is superintendent. Tony Blankenship and Charlie Martin of Ada are among the chief stockholders. This will, when completed bring a great many new citizens into the town and it will be the beginning of Francis as a manufacturing center.

The office has been completed and the foundations for the other buildings are being laid.

Mr. and Mrs. Morris will present violin, voice, piano and expression pupils in recital at eight-thirty next Monday evening at the First Christian church. The public cordially invited. All seats free.

Ed Wendell who resides on East Eighth has been diligently working the past week improving his lawn and repainting his house, adding much to the looks of his premises. Ed has already started the "Clean-up Campaign."

Clean Up Proclamation!

Whereas, the Spring season of the year has again come around and it is the season when house-cleaning and yard-cleaning should be made, and,

Whereas, public sentiment exists among our citizens that Ada should be made a cleaner and better city and a more attractive and better place in which to live, and,

Whereas, It would be more conducive to the good health of our people to do so, as well as it would make our homes more beautiful.

Now, therefore, I, Gary Kitchens, Mayor and Commissioner of Public Justice and Safety of the City of Ada, by virtue of the authority in me vested, do hereby declare and proclaim that from the 7th day of April, 1919, to the 10th day of April, 1919, both inclusive, shall be clean-up days for the city of Ada, and I do most respectfully insist that every citizen and resident of the city between those dates shall thoroughly clean up and remove from their yards and premises all trash, rubbish, tin cans and worthless and refuse matter which has accumulated thereon. I furthermore request that when the same has been gathered up and collected that it be placed in a barrel, box or some other receptacle and placed on the alley adjacent to your premises so that it can be picked up by the trash wagons, which will be started early on the morning of the 11th of April for that purpose.

For the purposes above mentioned and for the betterment and welfare of our citizens I sincerely trust that every resident of the city will heartily cooperate with us in this move and that great good may be accomplished thereby.

Done at Ada, Oklahoma, this the 26th day of March, 1919.

GARY KITCHENS,

Mayor and Commissioner of Public Justice and Safety of the City of Ada, Oklahoma.

Armageddon.

Armageddon, mentioned in Revelation 10:16, was the plain of Esdras, the scene of Israel's victories, and hence the term is used to signify the scene of a momentous test of any kind, especially of a decisive battle. It was used by the Progressive national convention in 1912, and has been frequently used in connection with the war.

Be a Good Loser.

Don't be afraid of being on the losing side. Defeat in a good cause is infinitely better than helping to win a victory for a cause in which you do not believe. Stand by your convictions. One who surrenders them in order to win is really on the losing side.

Patriotism.

Patriotism, magical emotion, which makes you rise superior to all obstacles, support all weariness, willingly accept all necessary discipline and joyfully face all dangers.—Joffre.

Breathing Cold Air.

A person breathing cold air obtains as much oxygen in six inhalations as he would in seven taken in hot weather. This increase of oxygen is a matter of great consequence to sufferers from lung trouble and also to the person enjoying good health.

Politeness Pays.

A mathematician has figured out that the telephone company loses 125 hours of work every day through the use of the word "please" by operators, and yet it pays.
